Subject: COMPLAINT OF M/S GEOTECH CONSULTANTS IN THE PROCUREMENT PROCESS OF "SOIL INVESTIGATION FOR MARINE CIVIL WORKS FOR SHIP LIFT AND TRANSFER SYSTEM AT KARACHI SHIPYARD AND ENGINEERING WORKS"

Reference:

A. PPRA letter dated 15 June 2010

M/s Geotech Consultants was previously awarded contract for another project in 2008 and KS&EW also issued the tender document to this firm for the subject procurement of services as well. The Consultant as part of the Technical Evaluation Report recommended for exclusion of the firm from the bidding process. Hence the firm was excluded accordingly. However, upon receipt of the complaint from M/s Geotech Consultants, a three member independent committee has been constituted in pursuance to PPRA Rule No. 48. The Committee will scrutinize the entire process, evaluate the recommendation of the Consultant and also give hearing to M/s Geotech Consultant. The recommendations of the committee will be forwarded to Ministry of Defence Production for decision of the Competent Authority. Subsequently, PPRA will be informed accordingly.
