Karachi Shipyard & Engg. Works Ltd Tender Notice

Dear Sir,

The tender notice for Karachi Shipyard & Engg Works Ltd published in Dawn on 9 September 2010, is against the Public Procurement Rules 2004, as minimum period of 15 days are mandatory to submit applications from the date of publication of advertisement notice in press, whereas you have given only 12 days, which is a violation of rules.

Rule is quoted below for your information;

**13. Response time.-**

*(1) The procuring agency may decide the response time for receipt of bids or proposals (including proposals for pre-qualification) from the date of publication of an advertisement or notice, keeping in view the individual procurement's complexity, availability and urgency. However, under no circumstances the response time shall be less than fifteen days for national competitive bidding and thirty days for international competitive bidding from the date of publication of advertisement or notice. All advertisements or notices shall expressly mention the response time allowed for that particular procurement along with the information for collection of bid documents which shall be issued till a given date, allowing sufficient time to complete and submit the bid by the closing date:*

The above information is forwarded for the purpose of avoiding the mis-procurement charge under Rule No 50, and to re-invite the tender under the prescribed procedures.

TIP would like to quote Supreme Court Order given on 28<sup>th</sup> April 2010, in the case of award of multibillion dollar LNG contract to GDF-Suez, in which the SC has announced that it is the duty of the Court to ensure the application of Public Procurement Rules 2004.

TI Pakistan is striving to have Rule of Law in Pakistan, which is the only way to eliminate corruption and have good governance in country.

With Regards,

Syed Adil Gilani
