Sub: Implementation of Sindh Public Procurement Rules 2009
Allegation of Award of Rs 60 million Contracts without Tender.

Dear Sir,

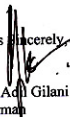

Transparency International Pakistan (TI Pakistan), aims at Building a coherent National Integrity System, to institutionalize efforts to curb corruption, and make our country Zero Tolerance against Corruption.

Rule of Law shall be supreme in Pakistan. The ultimate goal of this procurement system is to make corruption a "high risk" and "low return" undertaking.

TIP has noted from Daily Jang of 21 September 2010 that KWSB has awarded Contracts for 4 Water Pumps at Rs 60 million, at 30% over and above the market process, and without public tendering.

Kindly confirm whether the news, is correct or not, as such in violations of PPRA Rules amounts to mis- procurement, and action under Integrity Pact for recovery of ten times the amount of corruption is applicable .

Yours sincerely,

Syed Adil Gilani
Chairman
