- SUB:- 1) IMPLEMENTATION OF SINDH PUBLIC PROCUREMENT RULES, 2009  
2) ALLEGATION OF AWARD OF RS.60 MILLION CONTRACTS WITHOUT TENDER.  
ALLEGATION OF CORRUPTION IN AWARD ON CONTRACTS WORTH RS.100  
MILLION.

With reference to the letter dated 21<sup>st</sup> and 29<sup>th</sup> September, 2010 on the subject noted above, it is to clarify that the nature of civil and mechanical works in KW&SB, some times requires urgent execution of the works for which works under Para-58 of CPWD code / SPPR-2010 Emergency Rules 2(i)(v) are awarded on quotation basis as to remove public suffering and pressures which some times resulted in creating of law and order situation, many a times mobs have attacked our offices.

As far the "News" in daily Jang and other news papers are concerned, it is clarified that no work under Para-58 was awarded, however the proposal presented by the respective Chief Engineers were sent to Finance Department of KW&SB to give Budget Concurrence after scrutiny. The Finance Department raised objections and suggested that after issuance of PPR rules Notification No. PAS/LEGIS-B-2/2009, dated 17-04-2009, the purchase under para-58 has been done away with as such, the purchase of said items should be done through tenders inviting process through press. This process of contracts was allowed through press before the news came in the news papers on 15-09-2010.

No final decision was taken and news appeared in daily Jang during the transit of files in Finance Department of KW&SB and it was decided to do these works through open tenders / through press for which the works has been advertised in news papers (copies attached).

Since the awarding of contract was already opposed by the Finance Department of KW&SB, how could these works be awarded. Thus it is clarified that no tender as referred in news papers has been awarded to any contractor / company but all these works are being done through tender inviting process / through press - news papers.
