**Sub: Violation of Sindh Public Procurement Rules 2010, Project Director E.W, Liaquat University of Medical & Health Science's Pre-qualification Notice for Establishment of Medical College at Mirpur Khas.**

Dear Sir,

The Project Director E.W, Liaquat University of Medical & Health Science's Pre-qualification Notice for Establishment of Medical College at Mirpur Khas, published in the "dawn" on 9<sup>th</sup> January 2013, is against the Sindh Public Procurement Rules 2010.

TI-Pakistan would like to point out that Liaquat University of Medical & Health Sciences has not mentioned anything about the pre-qualification documents to be collected by bidders in the tender advertisement, which is a violation of Sindh Public Procurement Rules 2010. The rule is stated below for your reference;

**28. Process of Pre-qualification:-** (b) *procuring agency shall provide a set of pre-qualification documents containing scope of contract, a clear set of requirements for qualification and evaluation criteria to any supplier or contractor*, subject to payment of price, if any, which shall not exceed the limit, as prescribed in these Rules, and shall indicate the time and place where the documents can be obtained. Alternatively, if the procuring agency does not wish to issue pre-qualification documents, it shall include the scope of work and a clear set of requirements for pre-qualification and the evaluation criteria in the notice for pre-qualification.

TI-Pakistan would also like to point out that in the tender advertisement no bid opening date and time is mentioned, which is also in violation of Sindh Public Procurement Rules 2010.

The above information is forwarded for the purpose of avoiding the mis-procurement charge under Rule No 56, and with request to re-invite the tender under the prescribed procedures.

TI Pakistan is striving to have Rule of Law in Pakistan, which is the only way to eliminate corruption and have good governance in country.

With Regards,

  
Syed Adil Gilani  
Adviser
