Subject: **ALLEGATION ON THE MINISTRY OF INDUSTRIES AND PRODUCTION (MOI&P) IS SAID TO HAVE BEEN "OUTSOURCED" TO AN INFLUENTIAL PERSON**

Dear Sir

This is with reference to your letter dated June 18, 2015 addressed to the Chairman NAB Islamabad, with a copy to the Minister for Industries and Production. At the outset, I must state that your reaction to the malicious article which appeared in the press same day clearly shows that you have not taken the trouble to satisfy yourself about the contents of the news item. However, we have requested NAB separately to look into your complaint on top priority basis to put the controversy to bed.

2. This Ministry reserves the right to take appropriate legal action against you.

(Arif Azim)  
Secretary
