Director General Defense Production,
Ministry of Defense,
Rawalpindi.

Sub: Allegation of Mis-Procurement in Tenders, (i) Tender No. 14-0956 (Wheel Dozer), (ii) Tender No. 14-0957 (Motor Grader) and (iii) Tender No. 14-1002 (Fire Hose Reel) for Mangla Refurbishment Project Package VI & VIII financed by USAID.

Dear Sir,

Transparency International Pakistan has received a complaint on the allegation of Mis-Procurement in the following tenders:

- (i) Tender No. 14-0956 (Wheel Dozer),
- (ii) Tender No. 14-0957 (Motor Grader)
- (iii) Tender No. 14-1002 (Fire Hose Reel).

The complainant M/s Multipower Hydroelectric Development Corporation has made following allegations;

That;

1. There has been a serious irregularity in the procurement process by Director General Procurement Army, in the tenders, (i) Tender No. 14-0956 (Wheel Dozer), (ii) Tender No. 14-0957 (Motor Grader) and (iii) Tender No. 14-1002 (Fire Hose Reel),
2. The Tenders which were advertised in newspapers and are also available on PPRA were supposed to be opened on 05-05-2018.
3. This is a very serious issue because the bidders were informed at the time of opening on 24.4.2018 that it is extended and will be opened on 5-5-2018
4. But the bids have been reportedly opened 15 days earlier on 20-04-2018.

The complaint has been examined by Transparency International Pakistan, and if the Complaint is correct these three tenders are to be declared as Mis-Procurement under PPPA Rule 50.

Transparency International Pakistan request the Director General to take immediate action and direct the department to follow PPRA Rules, and if Complaint is correct, discharge the bids and re-invite the bids again.

Transparency International Pakistan is striving for across the board application of Rule of Law, which is the only way to stop corruption.

With Regards,

Sohail Muzaffar
Chairman
