Sub: Violation of Pubic Procurement Rules 2004 by NIH, MOH Tender for Procurement of 31 Million Syringes and 19 Million vaccine.

Dear Sir.

The tender advertised on 17 September 2009, in Daily Express, by NIH, for the Procurement of 31 Million Syringes and 19 Million vaccine is violating Public Procurement Rules 2004.

According to Rule No. 13 (i) Tender documents are to be issued to bidders, which is not being followed by NIH.

13 (1) "All advertisements or notices shall expressly mention the response time allowed for that particular procurement along with the information for collection of bid documents which shall be issued till a given date, allowing sufficient time to complete and submit the bid by the closing date"

This is assumed to be tender costing approx. Rs 500 million. Procurement of Rs ½ billion health items, without any specifications, evaluation criteria, terms of contract, time period, and other requirements, raises doubts that the supplier is already selected and this advertisement is just a formality to show that open tenders were invited.

Further to above, TI Pakistan would like to inform you that following process are also mandatory under PPRA rules.

- Signing of Integrity Pact (no bribery pact and declaration of Agent's Agreement),
 Evaluation Report to be provided to bidders 10 days before award for filing objections.
 - Rights of hidders for complain on evaluation report and reply by department,
 - Declaration of Contract and Evaluation Report on the website after the Award on Contract. (refer NOH letter F 1-2/2009/FPC dated 21 April 2009)
 - Contract for Supply, Works and Consultants to be awarded only to the lowest responsive Evaluated Bidder. The system of scores awarded to bidders, and the highest scoring firm to be awarded Contract on his tendered cost has been banned.

The above information is forwarded for the purpose to <u>avoid the mis-procurement charge</u> <u>under Rule No 50</u>, and to re- invite the tender which shall be based on the procedures prescribed by Public Procurement Rules, 2004

Your sincerely,
