Sub: Violation of Public Procurement Rules 2004, Director General (Operation), Gawadar  
Port Authority's Tender Notice to Supply Goods/ Services.

Dear Sir,

This is with reference to Gawadar Port Authority's Tender Notice, published in daily "Dawn" on 31<sup>st</sup> May, 2016. It is observed that the advertisement is in violation of the Public Procurement Rules 2004.

The fee for the pre-qualification documents is charged as PRs 10,000/- in the advertisement, which appears costly in light of the Public Procurement Rules 2004. Stated as under;

*25. Bidding documents. – (5) The procuring agency shall provide a set of bidding documents to any supplier or contractor, on request and subject to payment of price, if any.*

*Explanation - For the purpose of this sub-rule price means the cost of printing and providing the documents only.*

The above information is forwarded for the purpose of avoiding mis-procurement charge under Rule No 50, and with request to re-invite the tender under the prescribed procedures or issue a corrigendum and extend date accordingly.

Transparency International Pakistan is striving for across the board application of Rule of Law, which is the only way to stop corruption.

With Regards,
