Dear Sir,

This is with reference to Pakistan Railways, Headquarters Office, Lahore's Tender Notices, published in daily "The News" and daily "Dawn" on 9th February, 2017. It is observed that the advertisements are in violation of the PPRA Rules 2004.

As per advertisements, "the Tender Committee have right to accept or reject any or all tenders without assigning reasons". It is not complying with PPRA Rules 2004, Rule No. 33, which requires that reason should be communicated to bidders. Stated as under:

The procuring agency shall upon request communicate to any supplier or contractor who submitted a bid or proposal, the grounds for its rejection of all bids or proposals, but is not required to justify those grounds.*

The above information is forwarded for the purpose of avoiding mis-procurement charge under Rule No 50, and with request to re-invite the tender under the prescribed procedures or issue a corrigendum and extend date accordingly.

Transparency International Pakistan is striving for across the board application of Rule of Law, which is the only way to stop corruption.

With Regards,
