Sub: Violation of Public Procurement Rules 2004, Project Director, Directorate of Rehabilitation of Flood Damages Pakistan Railways, Lahore's Tender Notices for Miscellaneous Works.

Dear Sir,

This is with reference to Pakistan Railways, Lahore's Tender Notices published in daily "Nawaiwaqt" and "Dawn" on 19th July, 2017. It is observed that the advertisements are in violation of the PPRA Rules 2004.

As per advertisement, "The competent authority reserves the right to accept or reject the tender without assigning any reason". It is not complying with PPRA Rules 2004, Rule No. 33, which requires that reason should be communicated to bidders. Stated as under:

***33. Rejection of bids:-** (1) The procuring agency may reject all bids or proposals at any time prior to the acceptance of a bid or proposal. The procuring agency shall upon request communicate to any supplier or contractor who submitted a bid or proposal, the grounds for its rejection of all bids or proposals, but is not required to justify those grounds.*

The above information is forwarded for the purpose of avoiding mis-procurement charge under Rule No 50, and with request to re-invite the tenders under the prescribed procedures or issue a corrigendum and extend date accordingly.

Transparency International Pakistan is striving for across the board application of Rule of Law, which is the only way to stop corruption.

With Regards,

Sohail Mazaffar
Chairman
