Sub: Violation of Public Procurement Rules 2004, DME III for Project Director, Pakistan Railways, Lahore's Tender Notice for Procurement of Miscellaneous Items

Dear Sir,

This is with reference to Pakistan Railways, Lahore's Tender Notice published in daily "Nawaiwaqt" on 27th April, 2016. It is observed that the advertisement is in violation of the PPRA Rules 2004.

As per advertisement, Pakistan Railways, Lahore has restricted the bidders to supply certain items of specific origins only and has not added "**or equivalent**" with it, which is not allowed under PPRA Rules 2004, Rule No. 10. Stated as under;

10. Specifications: - Specifications shall allow the widest possible competition and shall not favor any single contractor or supplier nor put others at a disadvantage. Specifications shall be generic and shall not include references to brand names, model numbers, catalogue numbers or similar classifications. However if the procuring agency is convinced that the use of or a reference to a brand name or a catalogue number is essential to complete an otherwise incomplete specification, such use or reference shall be qualified with the words "or equivalent".

The above information is forwarded for the purpose of avoiding mis-procurement charge under Rule No 50, and with request to re-invite the tender under the prescribed procedures or issue a corrigendum and extend date accordingly.

Transparency International Pakistan is striving for across the board application of Rule of Law, which is the only way to stop corruption.

With Regards,

Sohail Muzaffar
Chairman
