Dear Sir,

This is with reference to Railway Workshops, Mughalpur, Lahore's Tender Notice published in daily "Nawaiwaqt" on 5th July, 2016. It is observed that the advertisement is in violation of the Public Procurement Rules 2004.

In the advertisement, only the date and time of opening of tender is mentioned whereas it should also include the date and time of submission of tender that shall be on the same day. Therefore the advertisement is in violation of Public Procurement Rules 2004, Rule 28(1). Stated as under:

28. Opening of bids. – (1) The date for opening of bids and the last date for the submission of bids shall be the same. Bids shall be opened at the time specified in the bidding documents. The bids shall be opened at least thirty minutes after the deadline for submission of bids.

It is mentioned in PPRA 'Tender Guidelines' on their website, that Tender Notice should contain closing date, time and place for receiving bids, as well as time of public opening of bids (Copy Attached).

The above information is forwarded for the purpose of avoiding mis-procurement charge under Rule No 50, and with request to re-invite the tender under the prescribed procedures or issue a corrigendum and extend date accordingly.

Transparency International Pakistan is striving for across the board application of Rule of Law, which is the only way to stop corruption.

With Regards,

Sohail Muzaffar
