Dear Sir,

**Unfair Assessment carried out in National bank of Pakistan's  
Building Management System Tender**

Reference to your letter number nil dated 26<sup>th</sup> February, 2013 regarding captioned subject.

It was indeed a matter of concern to go through the complaint attached with your letter under reference lodged by M/s. Limton Innovative System (the vendor) having cordial business relations with NBP for the past many years, indicating some doubts in our procedures of tendering / bidding.

However, in order to examine / review the issue raised by the Vendor, M/s Limton Innovative System was invited for a meeting in our office to know their grievances and to clarify our position in the light of all procedural documents and the applicable rules.

Consequent upon the meeting M/s. Limton were fully satisfied with the whole process of bidding and also committed to inform / write you about the misunderstanding and withdrawal of their complaint vide their letter TI:14022013:LIS:Co. dated 14<sup>th</sup> February, 2013.

We do appreciate your concerns.

Yours sincerely
