Dear Sir,

This is with reference to your letter dated 15<sup>th</sup> March, 2016 on the above subject.

The following website link (<http://www.transparency.org.pk/pm/kesc.php> Karachi) is mentioned at page 52 of the Report-I (1 to 56 pages) under References at Serial No.22 in your above referred letter. We visited the website link and found multiple documents with "(Download)" hyperlink at the end of the title of each document. Upon clicking on the "(Download)" hyperlink, the following error appears:

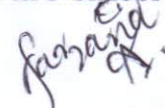

"Not Found  
The requested URL /pm/pm/scp/11sep13.pdf was not found on this server.

It seems like there is some problem in the TIP server as the same message appears when we try to download other documents mentioned in the website link.

It is therefore requested that kindly resolve the abovementioned problem or courier/e-mail us the documents mentioned in the website link.

With best regards.

Yours sincerely,
