Company (NTDC), 229-WAPDA House,
Lahore.

Reminder-I

Subject: Public Hearing Regarding Fuel Charges Adjustment (FCA) for the Month of October 2014 for XWDISCOs – Request to verify the data provided through 54 sheets and provide data in the blank columns given in the data sheet

Reference: i. Your/NTDC letter No. CPPA/CE-I/MT-II/1546-51 dated 31.03.2015.
ii. Our letter No. AAS/DMC/CPPA/186/15 dated 03.04.2015.
iii. Our letter No. AAS/CCPA/286/15 dated 25.04.2015.

Dear Sir,

Kindly refer to our letter No. AAS/CCPA/286/15 dated 25.04.2015 to which we have received no response.

We have already stated in our above referred letter that the information provided by NTDC after a long time of more than three months is not what we had requested. Further, in the data sheets provided by NTDC, information about public sector GENCOs is totally missing.

We have already provided the 54 data sheets which contain names of Power Plants, their Fuel and Dependable Capacities and month-wise electricity Generated by the respective Power Plants with their Plant utilization and under-utilization factors. The data sheets also contain blank columns requiring the information with regard to Guaranteed availability factor, month-wise approved rate of electricity, EPP on each Fuel, Energy payment made during the month, approved rate of CPP during the month after all indexation, Capacity payment made for the month, unit price of electricity for the month including the EPP and CPP and the details of Liquidated damages received. While submitting these data sheets we had requested for verifying the data compiled by us in the data sheets and to provide the information in the blank columns. Unfortunately we have not received the month-wise information.

We again request that the required information be provided to us on 54 monthly sheets (July 2010 to December 2014) which have earlier too been provided to NEPRA and NTDC. We request NTDC to provide this information immediately as the same has already been delayed and our analysis held up.

NEPRA is also requested again to direct NTDC not only to provide the information to us but to also obtain a copy for its own information, and analysis by NEPRA's professional staff.

We are enclosing a copy of our above referred letter dated 25.04.2015 for facility of reference.

With best regards.

Yours sincerely,

Encl: Copy of our letter dated 25.04.2015.
