- K-Electric's replies made in response to Intervention Requests and Comments in the subject matter;
- Audio recording and transcript of the Public Hearing of 27 & 28 September 2016.

Whistleblower Pakistan submitted the above Request in pursuance of the NEPRA Tariff Rules and the NEPRA Standard Operating Procedures (SOPs) for Inspection, Examination and Provision of Copies of Documents, 2015. A bank draft for Rs. 1,000/- was also sent in advance to NEPRA.

Whistleblower Pakistan would like to thank NEPRA for uploading all Intervention Requests, Comments and responses of K-Electric thereon on its website. Whistleblower Pakistan would like to put it on record that it had requested NEPRA for provision of these documents on 24.09.2016 and NEPRA has uploaded these documents on its website on 02.10.2016.

After going through the uploaded documents it is noted that Whistleblower Pakistan's Intervention Request has not been uploaded in full i.e. the 191

Whistleblower Pakistan request the Authority to upload the same immediately along with its Intervention Request, if the uploading of these Reports has been left out by mistake. But if these reports have not been uploaded by NEPRA deliberately, it will be considered as concealment of facts on the part of NEPRA.

Whistleblower Pakistan has also requested the provision of Transcript but the same has neither been uploaded on NEPRA website nor it has been provided to Whistleblower Pakistan through courier. Whistleblower Pakistan again request NEPRA to provide the transcript of the Hearing.

Whistleblower Pakistan's comments on the issues framed by NEPRA should also be uploaded on NEPRA website.
