1. In the advertisement, it is mentioned that quotations must be reached within 15 days of publication of the advertisement whereas it should clearly include the date and time of submission and opening of tender that shall be on the same day. 28. Opening of bids. – (1) *The date for opening of bids and the last date for the submission of bids shall be the same. Bids shall be opened at the time specified in the bidding documents. The bids shall be opened at least thirty minutes after the deadline for submission of bids.*

It is mentioned in PPRA 'Tender Guidelines' on their website, that Tender Notice should contain closing date, time and place for receiving bids, as well as time of public opening of bids (Copy Attached).

2. Also, CO reserves all the rights to reject any or all quotations without assigning any reason, which is violation of PPRA Rules 2004, Rule No. 33. Stated as under;

33. Rejection of bids:- (1) *The procuring agency may reject all bids or proposals at any time prior to the acceptance of a bid or proposal. The procuring agency shall upon request communicate to any supplier or contractor who submitted a bid or proposal, the grounds for its rejection of all bids or proposals, but is not required to justify those grounds.*

The above information is forwarded for the purpose of avoiding mis-procurement charge under Rule No 50, and with request to re-invite the tender under the prescribed procedures or issue a corrigendum and extend date accordingly.

Transparency International Pakistan is striving for across the board application of Rule of Law, which is the only way to stop corruption.
