Commandant,
Pakistan Navy,
PNS Jauhar,
Karachi.
Ph. No. 021- 48503022

Sub: Violation of Public Procurement Rules 2004, Commandant, Pakistan Navy, Karachi's
Tender Notice for Exhibit Designing & Fabrication, Printing of Material & DVD
Reproduction.

Dear Sir,

This is with reference to Pakistan Navy, Karachi's Tender Notice, published in the "Dawn" on 3rd August, 2014. It is observed that the advertisement is in violation of the Public Procurement Rules 2004.

As per the advertisement 15 days of response time is not given, and is 4 days short for submission of applications, which is a violation of Public Procurement Rules 2004, Rule No.13 (1). Stated as under:

13. Response time.- (1) The procuring agency may decide the response time for receipt of bids or proposals (including proposals for pre-qualification) from the date of publication of an advertisement or notice, keeping in view the individual procurement's complexity, availability and urgency. However, under no circumstances the response time shall be less than fifteen days for national competitive bidding and thirty days for international competitive bidding from the date of publication of advertisement or notice.

The above information is forwarded for the purpose of avoiding the mis-procurement charge under Rule No 50, and with request to re-invite the tender under the prescribed procedures or issue a corrigendum and extend date accordingly.

Transparency International Pakistan is striving for across the board application of Rule of Law, which is the only way to stop corruption.

With Regards,

Sohail Muzaffar
Chairman

Copies forwarded for the information with request to take action under their mandate to:

1. Secretary to Prime Minister, Islamabad.
2. Chairman, NAB, Islamabad.
3. Chairman, PAC, Islamabad.
4. Registrar, Supreme Court of Pakistan, Islamabad.
5. Managing Director, PPRA, Islamabad.

PAKISTAN NAVY

QUOTATIONS REQUIRED

1. Exhibit Designing and Fabrication: Quotations from the firms experienced in exhibit designing and authorized by DEPO are required to design and fabricate a 3D stall structure. Interested firms may send their profile and obtain details from President Stall Committee.
