Subject: Complaint against encroachment on Chakyaan Khushaab Road, Bhalwaal Road and Bypass Road, District Sargodha

Dear Sir,

TI Pakistan has received a complaint from Chaudhry Baber Akram Dhonda, President Transport Stone Supplier Association, regarding the encroachment on highways Chakyaan Khushaab Road, Bhalwaal Road and Bypass Road. The detailed complaint is attached for your ready reference and is self explanatory.

The complainant alleges that due to the encroachments, the highways have been considerably narrowed down; vehicles and pedestrians frequently face severe traffic jams and these often result in accidents as well. The complainant alleged that he had informed the higher authorities of the district about this problem but no action has been taken so far.

Transparency International Pakistan would greatly appreciate if you would kindly look into this matter, and if found genuine/correct take appropriate action under the law so that a citizen may get relief. TI Pakistan is striving to have **Rule of Law** in Pakistan which is the only way of eliminating corruption and have good governance in the country.

With Regards,

Saad Rashid  
Executive Director
