Sub: Complaint of Violation of Public Procurement Rules 2004 by OGDC in Procurement of Screen and Derik. Reply dated 6 August 2010

Dear Sir,

Transparency International Pakistan has examined Mr. Khalid Jamil Khan GM (SCM) clarification of TIP letter dated 23 July 2010.

The clarification is give that part number of the manufacturer are not mentioned in the tender which is not correct.

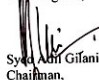

We enclosed OGDCL Tender, where the manufacturer is mentioned as "Make Derik", against 30 items, and Model 313 against 7 items, and part nos. against 9 items.

Such blatant lies amounts to misguide the Chairman PAC, Supreme Court, AGP and PPRA.

PPR Rule No is quoted, which has been violated by OGDC in this procurement.

Transparency International Pakistan request the MD to take appropriate action on this case, which under Rule No 50 is mis-procurement.

With Regards,

Syed Adil Gifani  
Chairman,

Copies forwarded for action under the rules of business to,

1. Chairman, PAC, Islamabad
2. Registrar, Supreme Court of Pakistan, Islamabad
3. Mr. Tanwir Ali Agha, Auditor General Pakistan, Islamabad
4. Managing Director, PPRA, Islamabad.
