No. PROC-FE/CB/PROD//2287-AI/2009

Islamabad, the 7th July, 2009

Mr. Khalid Mahmood Lodhi,
Deputy Director-II,
Public Procurement Regulatory Authority,
Cabinet Division,
Government of Pakistan.

Subject: VOIATION IN TENDER PROCEDURE

Dear Sir,

Please refer your letter dated June 12, 2009, on the above subject forwarded alongwith a representation of M/s. Pakistan Vehicle Engineering (Pvt) Ltd., regarding tender enquiry # PROC-FE/CB/PROD-2287-A/2009 for supply of Truck Mounted Cranes.

In this regard, we clarify as under:

The bids against subject tender enquiry were publically opened under two envelope systems on 25-02-2009 at 1500 hours by a Tender Opening Committee. As per procedure under two envelope system, the technical bids were opened publically in the presence of the local representatives of all the bidders.

While scrutinizing the technical bids certain major discrepancies/deviations of the bid documents were noticed in the technical bids of some bidders. The technical bid of M/s. Pakistan Vehicles Engineering (Pvt) Ltd., was short of original authority letter from Chassis Manufacturer a pre-requisite of the tender document subject to be summarily rejected as per clause- 8.0 under head "Terms & Conditions" of Schedule of Requirement of the tender document. However, the bidders were given relaxation to provide these documents within 10 days time and the same was recorded on the technical bids and was got signed by the representative of PVE Ltd., for compliance.

M/s. PVE Ltd., however, failed to submit the required documents within the specified time hence, their bid was not qualified for further technical evaluation.

Now the representation of PVE Ltd., at this belated stage is un-called for.

2. We believe that above will clarify the position as is evident that the whole process is being proceeded by OGDCL purely on merit and representation of M/s. PVE Ltd., is absolutely short of any solid ground.

Yours Sincerely,

(Khalid Jamil Khan)

General Manager (Supply Chain Management)
