Sub: Violation of Public Procurement Rules 2004, Chief of MES, Office of Military Engineering Services (PAF), Peshawar's Tender Notice for Provision of Certain Facilities at PAF.

Dear Sir,

This is with reference to Military Engineering Services (PAF), Peshawar's Tender Notice published in daily "The Nation" on 1<sup>st</sup> May, 2015. It is observed that the advertisement is in violation of the PPRA Rules 2004.

As per advertisement, 15 days of response time is not given and the last date for submission of tender is on 11-05-2015, which is 4 days short. It is a violation of Public Procurement Rules 2004, Rule No.13 (1). Stated as under;

*13. Response time. - (1) The procuring agency may decide the response time for receipt of bids or proposals (including proposals for pre-qualification) from the date of publication of an advertisement or notice, keeping in view the individual procurement's complexity, availability and urgency. However, under no circumstances the response time shall be less than fifteen days for national competitive bidding and thirty days for international competitive bidding from the date of publication of advertisement or notice.*

The above information is forwarded for the purpose of avoiding the mis-procurement charge under Rule No 50, and with request to re-invite the tender under the prescribed procedures or issue a corrigendum and extend date accordingly.

Transparency International Pakistan is striving for across the board application of Rule of Law, which is the only way to stop corruption.

With Regards,

Sohail Muzaffar
