Sub: Request for participation in the proceedings for opening / grant of tender – PCP Letter dated 22nd May 2012.

Dear Sir,

Transparency International Pakistan is in receipt of Executive Director (Production), Printing Corporation of Pakistan, Islamabad's letter dated 22nd May 2012 regarding TI-P's participation in the proceedings for opening / grant of tender.

TI-P acknowledges the invitation extended by PCP to attend the tender opening as Observer. However it is to mention that TI-P only attends the tender openings of the organizations with whom it has signed the Memorandum of Understandings (MoUs).

Secondly, being stationed in Karachi, TI-Pakistan sends its representative in the tender openings which are held in the city.

TI-Pakistan, therefore regrets that it will not be possible to attend the Tender Opening which is to be held on 30th May 2012 in Islamabad.

Regards,

Saad Rashid
Executive Director
