Subject: Allegations of corruption by Manager, PIA Birmingham Airport

Dear Sir,

TI Pakistan has received a complaint alleging corruption in the Pakistan International Airline (PIA), Birmingham Airport department. The complaint, along with annexure, is enclosed for your ready reference and is self-explanatory.

Allegedly, the PIA Birmingham Airport Manager is utilizing his political connections to get extension in his tenure. Sultan Mir, brother of Punjab's Ex-Police Officer Sabir Mir, was appointed as Manager PIA Birmingham Airport.

Sultan Mir's tenure is said to be completed by the end of November 2012, but allegedly he has already started his efforts to get a further tenure of 3 years as Manager Birmingham Airport. In this regard, purportedly, an important leader of an influential political party from Rawalpindi is pleading the case of Mir with the PIA bosses and trying his best to approve the extension by the end of November.

Transparency International Pakistan would greatly appreciate if you would kindly look into this matter, and if found genuine/correct take appropriate action under the law.

TI Pakistan is striving to have **Rule of Law** in Pakistan which is the only way of eliminating corruption and have good governance in the country.

With Regards,

Adil Gilani
