Dear Sir,

Transparency International Pakistan has following submission to be considered by PIA, as issues are serious for TIP.

1. On PIA website, PIA Procurement Manual does not have Volume II and Volume III, which shall be posted.
2. On 10th March TIP vide its letter to MD, informed that clause of "After award contract ordered quantities in any quantum can be reduced or increased at the sole discretion of PIA" is in clear violation of PPRA Rules and should be removed. It is noted from PIA website that tens of Tenders have been advertised on 15th March, with clause that Qty 25% may increase or decrease.
3. TIP had suggested that an office may be allotted at the MD PIA Secretariat, where PIA coordinator Mr. Aziz Suharwardy may establish monitoring cell, with TIP Procurement Specialist.

Best Regards,

Syed Adil Gilani
Chairman.
