Chairman,  
Pakistan International Airlines,  
Head Office, Karachi Airport.

Sub: Violation of Public Procurement Rules 2004, DGM Purchases Commercial, Pakistan International Airlines, Tender Notice for the supply of electronic equipment.

Dear Sir,

The DGM Purchases Commercial, Pakistan International Airline, Karachi's tender notice (Ref No. 084A11065), is in violation of Public Procurement Rules 2004 as PIA has overlooked the July 11<sup>th</sup>, 2008 notification (S.R.O 805(1)/2008) of Public Procurement Regulatory Authority for the mandatory use of Pakistan Engineering Council's Bidding Documents. According to the PEC documents, "it is bidder's option to select the mode of payment for bid security". The procuring agency cannot bind the bidders by limiting them to make payment through pay order only.

It has also been observed that you have not mentioned anything about the provision of bidding documents in your tender notice, which is again a violation of Public Procurement Rules 2004. The rule is quoted below for your reference;

**23. Bidding documents.**— (1) *Procuring agencies shall formulate precise and unambiguous bidding documents that shall be made available to the bidders immediately after the publication of the invitation to bid.*

The above information is forwarded for the purpose of avoiding the mis-procurement charge under Rule No 50, and with request to re-invite the tender under the prescribed procedures.

TI Pakistan is striving to have Rule of Law in Pakistan, which is the only way to eliminate corruption and have good governance in country.

With Regards,

  
Syed Adil Gilani  
Chairman
