TIP letter 12th August 2013

Dear Sir,

This is with reference to TI-Pakistan letter dated 12th August 2013 (copy enclosed), sent to the Minister of Finance, on the cited subject, however no reply has been received even after a lapse of one month.

Transparency International Pakistan, vide its above mentioned letter, had requested the Prime Minister, to immediately conduct and inquiry in SECP affairs, and its failure under political/business houses influence to take to take actions against illegal stock market manipulation, insider trading and real estate companies, during last 7 years, which has made the whole country and honest business community, hostage of wishes of corrupt individuals in stock manipulation and builder mafia.

Transparency International Pakistan is striving for across the board application of Rule of Law, which is the only way to stop corruption.

With Regards,

Syed Adil Gilani
Adviser
