Sub: Violation of Public Procurement Rules, 2004  
Prequalification of Appointment of Consultants

Dear Sir,

The Prequalification notices published in Dawn dated 16<sup>th</sup> September 2009 for the Appointment of Financial Consultants for Pakistan Post Office is lacking Transparency and violating "Public Procurement Rules, 2004".

Rule of Law shall be supreme in Pakistan. The ultimate goal of this procurement system is to make corruption a "high risk" and "low return" undertaking.

PC is not providing the prequalification documents according to Rules nos. 13 and 16, a mandatory requirement, which shall include specifications and above all Evaluation Criteria.

Public Procurement Rules, 2004 have eliminated all discretions in procurement process and avenues of corrupt practices in tendering, by making the following Transparent Steps mandatory to eliminate manipulation in tenders;

- Provide prequalification Documents which includes all relevant information including the detailed evaluation criteria, bid award method,
- Signing of Integrity Pact ( no bribery pact and declaration of Agent's Agreement),
- Evaluation Report to be provided to bidders 15 days before award for filing objections,
- Rights of bidders for complain on evaluation report and reply by department,
- Declaration of Contract and Evaluation Report on the website after the Award on Contract.
- Contract for Supply, Works and Consultants to be awarded only to the lowest responsive Evaluated Bidder. The system of scores awarded to bidders, and the highest scoring firm to be awarded Contract on his tendered cost has been banned.

The above information is forwarded for the purpose to avoid the mis-procurement charge under Rule No 50, and to re- invite the tender which shall be based on the procedures prescribed by Public Procurement Rules, 2004.

With Regards,

  
Syed Adil Gilani
