Mr Fida Muhammad Wazir,
Managing Director,
Pakistan Public Procurement Regulatory Authority,
Islamabad

Subject: Request for a meeting.

Dear Sir,

TI Pakistan is a national chapter of Transparency International (TI), a civil society organization dedicated to curbing both international and national level corruption.

One of the projects of TI Pakistan is Public Procurement Monitoring. Whenever TI Pakistan notes a violation of the Federal and Provincial Public Procurement Regulatory Rules, it informs the procuring agency and the Regulatory Authorities of the violations so that they may be rectified. Another project undertaken by TI Pakistan is the Anti-Fraud Hotline that reports complaints by citizens of fraud in USAID Funded Projects. This project is sponsored by USAID.

Mr Dan Altman, Assistant Inspector General, OIG/USAID is visiting Islamabad from the 18th to 20th February. He has desired to meet you on the 18th February at your office. We would appreciate if you kindly advise your availability and the time for the meeting.

Thanks and Regards,

Saad Rashid
Executive Director
