SUBJECT: ESTABLISHMENT OF PQA LIAISON OFFICE.

Please refer to Transparency International letter dated 5th March, 2010 and PQA letter dated 20th February, 2010 on subject cited above.

2. PQA always appreciates positive suggestions / guidelines from Transparency International to move on right directions and to achieve required goals / targets.
3. We once again invite your attention for establishment of liaison office in city area, as already intimated vide letter dated 20th February, 2010. PQA has been facing difficulties due to non-availability of its liaison office in city area ever-since its closing in P.N.S.C Building due to fire incidents.
4. It is also mentioned that PQA has invited offers for liaison office in the localities along Sharah-e-Faisal, Karachi where most of the Commercial, Government and Private organizations are located. PQA will however ensure that if any permission is needed for using of premises for office purposes, it will be obtained accordingly from City Government. PQA will also ensure that all proceedings shall be in accordance with P.P.R.A Rules.
5. Awaiting for your response.
