**Subject: TENDER AWARDED TO NLC, FWO BY PQA**

In pursuance of Prevention Regime Initiative under purview of NAO 1999, please note that issuing bid documents to only NLC / FWO who were pre-qualified in year 2008 cannot be construed of awarding contract to FWO / NLC in year 2012 on different projects with changed scope of work. This practice is in violation of PPRA Rules 8, 9 and 20. Kindly be informed that failure to attend above mentioned contravention of PPRA Rules would attract inquiry / investigation proceedings under Section 9 of NAO. For best interest of project, it is advised that new pre-qualification process for wider participation in transparency be done.

2. Issued with approval of DG A&P president Prevention Committee on Procurements / Auctions / Projects constituted under Section 33C of NAO by Chairman NAB please.
