Dated: 06.10.2011

The Deputy Director-II
Public Procurement Regularity Authority
Cabinet Division
Government of Pakistan,
Karachi.

Attention: Mr. Naeem Ahmed, Deputy Director-II

**SUBJECT:- VIOLATION OF PUBLIC PROCUREMENT RULES-2004
SECRETARY, PORT QASIM AUTHORITY, TENDER NOTICE FOR
SUPPLY OF ONE ASD TUG AND/OR ONE PILOT BOAT**

Reference:-

- A TIP letter No. Nil dated 07 September 2011.
- B PPRA letter No. F:1(327/DD-11/PPRA/2011 dated 16 September 2011.

Port Qasim Authority had advertised the contract for Supply of One ASD Shipping Tug and / or one Pilot Boat on 07 / 08 Sept 2011 in the national and international press. The tender document issued to the bidders for the contract works, is prepared on No loss No profit basis while following the PPRA Rules.

2. In view of enhancement in cost of general items the cost of printing material and labour have also increased manifold. While inviting the bids on two previous occasions, for hiring of tugs and pilot boats, PQA issued the tender documents against a cost of Rs. 43,000/- (Copy enclosed). However, the cost of current tender document has been kept low, i.e. Rs. 25,000/- (Twenty Five Thousand Rupees), despite increase in inflation etc., to allow wide participation of local and international Bidders.

3. It may be noted that 17 tender documents have so far been collected from PQA by interested firms. Hence, the chances of cartelization are not evident.

(MIRAN MOHYUDDIN)
