7 March 2011

Chairman,
Port Qasim Authority,
Port Qasim,
Karachi.

Sub: Request for Proposal for Engineering Consultancy Services for Rehabilitation/Up-gradation/Dualization of PQA Main Access Road etc on BOT Basis.

Dear Sir,

Transparency International Pakistan refers to its letter dated 23 February 2011, and PQA response dated 7 March 2011 where the RFP has been amended according to comply with PPRA requirements.

Beside correcting the award criteria, to be the lowest financial bids amongst the technically acceptable proposals, the Criteria set asking cost of Part II Services, and combining the Part I and Part II cost to evaluate the lowest responsive cost is also seems to be a transparent method to obtain market based cost of PartII, which was earlier fixed at 0.9 %.

Yours Sincerely,

Syed Adil Gilani
Chairman

Copy forwarded to the DG P&D, PQA for information please.
