15th December 2010

Mr. Imtiaz Lodhi,
Acting CEO,
Pakistan Steel Mills Corp. Ltd.
Bin Qasim,
Karachi

**Ref: Tender Opening of Yards of Mixed Ferrous/Non-Ferrous Material
(waste material) in Yard#30, 31, 32, 33, 34, 20 and CBI**

Dear Sir,

This is in reference to Pakistan Steel's letter dated 13th December 2010 from Pakistan Steel, Marketing Department No. Mktg.(MRC)/Misc-23/2010/800 regarding sale of waste material in Yard#31,32, 33, 34, 20 and CBI. These tenders are to be opened at 1100 hours on 20th December 2010 at the Conference Hall, Marketing Department.

On enquiry we were told by Mr. Gulzar, Personal Assistant to Syed Mahmood Hassan, General Manager Marketing, that the tenders will be on yard/plot basis and not on tonnage. We refer to our letter dated 30th September 2010 that for transparency and fair deal all these lots should be tendered for prices to be quoted on '**Tonnage Basis**' or '**Volume Basis**'.

We would like to inform you that we have serious objections to the sale on yard basis. If our recommendations are not heeded we will be unable to be a part of the tender process.

With regards,

Syed Adil Gilani
Chairman
