Subject: Tender for HVAC works at Secretariat Block (PWD), Islamabad.

Dear Sir,

This refers to your letter No. F.1 (4) DD-II/PPRA/2009 dated 17th December, 2009 and our letter No.ES/PED/2009-012 dated 14th December, 2009.

It is regretted that our request for a meeting with Grievance Committee as per PPRA rules & regulations has not been initiated, even after instructions to PWD vide letter under reference.

You are requested to kindly intimate any action taken by PWD on instructions issued vide your letter under reference, till to date.

It is submitted that as per unofficial result of Re-tender initiated by PWD in contravention to PPRA rules, and without any reasonable grounds for Re-tender, the bid is 20% (approx) higher than the NIT, whereas our lowest bid for the same project was below the NIT and Engineer's estimate of NESPAK (intimated unofficially).

ELEKTRA SYSTEMS

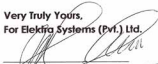

It is also submitted that the tender documents have been bifurcated into two parts in order to facilitate only PWD approved contractors, not meeting the requirement of Pakistan Engineering Council. The award of same project to two different contractors may result in undue controversy at a later stage, and is not recommended for execution of a single work and is against the interest of project.

In case the Tenders are awarded in violation of PEC & PPRA rules, the same should be declared as **MISPROCUREMENT** as per clause No. 50 in order to make organizations under PPRA realize that the rules are meant to be observed in letter and spirit in order to curb corruptions and malafide intentions being persued by PPRA in national interest.

This is without prejudice, and the undersigned reserves the right to submit affidavit on oath to expose the reasons of scrapping of tender and Re-tender only amongst PWD approved contractors, after getting all relevant documents of evaluation and tender documents of Re-tender.

We hereby confirm validity of our Main Bid submitted, in spite of the same being scrapped by PWD.

Very Truly Yours,
For Elektra Systems (Pvt.) Ltd.

Attention: Mr. Faiz Ahmed Faiz (Executive Engineer)

Subject: HVAC works at Secretariat Block (PWD), Islamabad.

Dear Sir,

This refers your subject tender.

To our surprise the subject tender has been scrapped, though our corrected lowest bid of Rs. 378, 341,780/- (Option-1) and Rs. 354,827,871/- (Option-2) was approximately Rs. 50,000,000/- (RUPEES FIFTY MILLION) less than other bidders.

In this connection kindly refer clause 33(1) of PPRA rules, you are requested to kindly intimate the reasons for scrapping the tender.

It may be noted that Notice of rejection should have been intimated promptly vide clause 33 (3). In order to facilitate us for re-bidding, the same has been ignored, which is violation of PPRA rules & regulations.

We requested for issue of Tender documents for re-bidding, which has been denied on grounds that since we are not enlisted with PDW the tender documents cannot be issued, as confirmed on telephone by SDO. Mr. Ansari.

This is again gross violation of PPRA rules & regulations clause # 20 and 32 for open competitive bidding, and is obvious manipulations and malafide.

You are requested to constitute "redress of grievance committee" as per clause # 48 of PPRA rules to address the above objections and discriminatory terms and conditions advertised now for re-bidding.

Very Truly Yours,
For Elektra Systems
