Subject: LONG AWAITED SNGPL CONNECTION

Dear Sir,

TI Pakistan has received a complaint from a senior citizen, Mr. Muhammad Hussain Qadri, regarding the installation of his long-awaited Sui Northern Gas Pipelines Limited (SNGPL) connection. He resides in Village Talwara Mughlan, Ghazipur near Union Council Office Talwara Mughlan, District Sialkot, Punjab. The detailed complaint is enclosed for your ready reference and is self explanatory.

The complainant applied for a new gas connection on 21st April, 2009, while the Demand Draft was paid to the SNGPL on 16th April, 2012 (the receipt of the bank payment to SNGPL for the Domestic Gas connection is attached). Although he was informed that the stipulated time was 32 weeks for the installation of the new connection, Mr. Qadri alleges that the connection has not been installed until now. He further states that no reason has even been given for the delay, whereas other people in his area, who applied for their gas connections in 2012, have already secured the installation.

Transparency International Pakistan would greatly appreciate if you would kindly look into this matter, and if found genuine/correct take appropriate action under the law so that a citizen may get relief.

TI Pakistan is striving to have **Rule of Law** in Pakistan which is the only way of eliminating corruption and have good governance in the country.

With Regards,

Saad Rashid
Executive Director
