**Subject: Violation of Public Procurement Rules 2004, Sui Southern Gas Company Ltd.
Karachi's Tender Notice for Construction and Commissioning (EPCC) of
Ten 10 LPG Air Mix Plants in Baluchistan Province.**

Dear Sir,

This is with reference to Transparency International Pakistan letter # TL17/1810/8A dated 18th October, 2017 on the cited subject, highlighting that the tender document issuance fees i.e. Rs. 15,000/- appears to be costly. SSGC has reduced the tender document fee to Rs. 10,000/-.

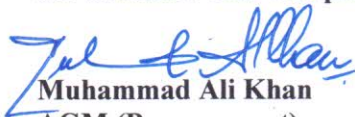

The reason for fixing Rs. 10,000/- for issuance of tender documents is as follows:

- i) Cost of printing FEED documents and Tender documents alongwith it's designing as the documents includes maps and drawings because it is a EPCC Tender which contains numerous pages exceeding more than 3000 in number and the drawings are on A3 pages.
- ii) We have to arrange pre-bid meeting and the site visits for the bidders of LPG Air Mix Plants locations which are the remotest areas of Baluchistan to be arranged by SSGC.

In view of above facts the price has been fixed as Rs. 10,000/- for issuance of subject tender document.

SSGC always strive to abide by the PPRA rules in letter & sprit.

Yours Sincerely
Sui Southern Gas Company
