Subject: Prequalification of outdoor Advertising Firms Notice is violation of PPRA

Dear Sir,

Transparency International Pakistan has noted the Prequalification Notice published in Dawn of 27th April 2010 for outdoor Advertising Firms and would like to state that it is violation of Public Procurement Rules, 2004.

The violation is serious as stated below.

According to Rule No 16, SLIC is must provide a set of Prequalification Documents which shall include the prequalification criteria in detail, to the applicant, which is not being done by CDA. The rule is quoted below;

16. Pre-qualification process.-

(1) *The procuring agency engaging in pre-qualification shall announce, in the pre-qualification documents, all information required for pre-qualification including instructions for preparation and submission of the pre-qualification documents, evaluation criteria, list of documentary evidence required by suppliers or contractors to demonstrate their respective qualifications and any other information that the procuring agency deems necessary for pre-qualification.*

(2) *The procuring agency shall provide a set of pre-qualification documents to any supplier or contractor, on request and subject to payment of price, if any.*

Public Procurement Rules, 2004 have eliminated all discretions in procurement process and avenues of corrupt practices in tendering. We request you Sir to direct relevant SLIC department to cancel the Notice and re-invite prequalification by preparing a **set of Prequalification Documents**.

Yours sincerely,

Syed Auli Gilani
Chairman
