Subject; Prequalification of outdoor Advertising Firms Notice is violation off PPRA  
SLIC Reply dated 3 June 2010 to PPRA

Dear Sir,

Transparency International Pakistan has noted from the reply of SLIC addressed to PPRA that PPRA has allowed SLIC not to re-advertise the Prequalification, and accepted SLIC proposal to issue Set of Prequalification to those who have applied to SLIC in response to the Notice.

Public Procurement Rules, 2004 does not allow such exemptions, and we again request SLIC to cancel the Notice and re-invite the prequalification through press advertisement, which shall include the instruction to purchase set of Prequalification Documents on nominal cost ( say Rs 1000)

Yours sincerely,

Syed Adil Gilani  
Chairman

Copy forwarded to MD PPRA, for information please.
