Managing Director,
Solid Sindh Waste Management Board,
Government of Sindh,
Karachi.

Sub: Meeting of the Procurement Committee- I for the Sindh Solid Waste Management Board (SSWMB)'s NIT for "Establishment of Garbage Transfer Station (GST) - Civil/ Mechanical and Electrical Work" & "Lifting of Backlog Garbage Transportation from GST to Landfill Sites".

Dear Sir,

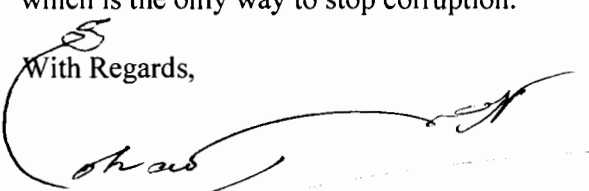

Transparency International Pakistan refers to Meeting the Procurement Committee- I held on 10-01-2017 in the Committee Room of Sindh Solid Waste Management Board, Karachi (Annexure A).

In the tender for "Establishment of Garbage Transfer Station (GST) - Civil/ Mechanical and Electrical Work" for the Works No. 5.2 and 5.3 in both tenders there is only one bidder i.e. RK Constructions. Since the nature of the works is not complex it appears that SSWMB has put such conditions which has restricted the competition and favoured one single bidder.

The Managing Director is requested to re-tender and made specifications general for all the interested eligible bidders to participate in the said tender.

Transparency International Pakistan is striving for across the board application of Rule of Law, which is the only way to stop corruption.

With Regards,

Sohail Muzaffar
Chairman
