"Consulting firms Techno-Economic Feasibility Studies including preparation of
Preliminary Design, PC-1 Document, etc"**

Dear Dr Sajnani,

As per the MOU signed between SSWMB and TI Pakistan, all bid documents were supposed to be sent to TI Pakistan for vetting before issuing for bidding. This practice, of late, is not being followed by SSWMB.

Unless the clauses of the MOU are followed in letter and spirit, we regret that TI Pakistan will not be able to participate in the bidding process of SSWMB.

Best Regards,

Saad Rashid
Executive Director
TI Pakistan
