SUBJECT: VIOLATION OF PUBLIC PROCUREMENT RULES 2004, GENERAL MANAGER (HYDRO PLANNING), WAPDA, LAHORE'S TENDER NOTICE FOR CONSTRUCTION OF CIVIL WORKS

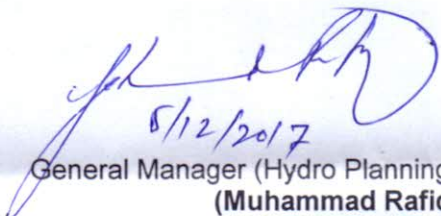

Reference: Your Letter No. TL17/2411/4A dated 24-11-2017

Reference letter above, it is to be clarified that the said Tender Notice has been advertised as per Public Procurement Rules 2004. Mohmand Dam Hydropower Project is a large multipurpose project on River Swat being developed for flood mitigation, cheap hydropower generation, clean drinking water supply for the city of Peshawar as well as creation of storage reservoir.

It is for your kind information that the Bidding Documents comprises sixteen (16) volumes of both A-4 and A-3 size documents. The total number of pages of these documents are about 4,600 inclusive of about 800 pages of A3 size.

It is worth mentioning that the price of Rs. 20,000/- set forth for purchase of Bidding Documents is low even to cater for cost of printing, binding and other miscellaneous costs such as A-3 size colour drawings.

We hope this addresses your concerns. We are ready to clarify any other comments/ information, please.
